CONVINCING

The advantages of Quotrix at a glance

- Free of charge: no additional transaction fee or brokerage fee from the exchange
- Direct on-exchange trading with binding quotes and limit order protection
- Modern order types with all common limits (e.g. trailing stop loss)
- Trading of nearly 32,000 international securities (shares, bonds, funds, ETPs)
- Reference market guarantees (e.g. shares at least at the Xetra price, often better)
- Full execution of orders with high guarantee volumes
- Long trading hours from 07:30 am to 11:00 pm and free real-time quotes
- Investor protection through Trading Surveillance Office and rules & regulations

COMPETENT

Services and partners in stock exchange trading

- Quotrix launched in 2001 as the first exchange-based market maker system in Germany
- Operated by Duesseldorf Stock Exchange including a neutral trading surveillance office
- Since 2017, ICF BANK is market maker for the approximately 32,000 securities (>8,250 equities, >17,000 bonds, >2,550 mutual funds, >3,400 ETPs)
- More than 160 crypto products - the largest selection of all German stock exchanges
- Quotrix ranks among the top trading venues by volume in Germany
- Excellent price quality and multiple winner in best execution evaluations
- Expansion of trading spectrum to include foreign currency bonds; increasing relevance for regular savings plan and reinvestment orders

INDIVIDUAL

All modern limit order types on offer

- Direct trade (fast quote-request procedure)
- Limit order (protected limit order management)
- Stop Buy / Stop Loss
- MarketStop Buy / Stop Loss Limit
- Trailing Stop Loss
- One Cancels the Other
